NeoXell

WELCOME TO NEOXELL

We combine advanced **aesthetic technology** with strict **medical standards**. Our mission is to restore, protect, and enhance your skin, body, and nail health through evidence-based care.

Every treatment in this catalog is personalized to meet your unique needs in a comfortable, sterile, and calming environment.

SKIN TREATMENTS

Advanced therapeutic and rejuvenating solutions for face, scalp, and skin health.

ALL-SEASON PEELS

BioRePeelCl3

Two-phase patented peel that provides deep tissue revitalization, skin structure restoration, and acne control with zero peeling or downtime.

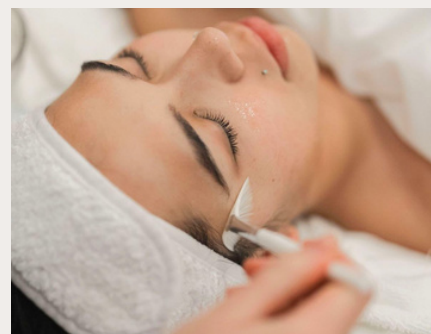

PRX-T33

Needle-free biorevitalization formula that stimulates collagen production, firms skin, and evens out tone without damaging the outer layer.

Jalupro Peel

Amino-acid enriched treatment specifically designed to restore deep hydration, improve elasticity, and protect against premature photo-aging

HARDWARE & NEEDLE-FREE CARE

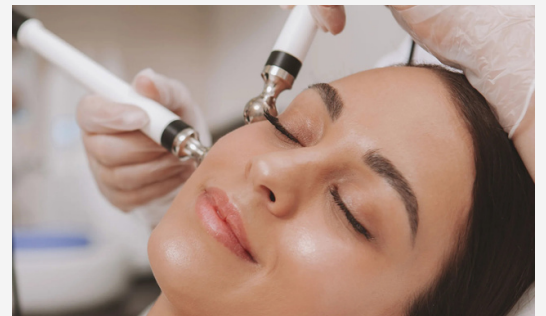

Microneedling (Face & Hair)

Collagen-induction therapy for skin texture refinement, pore tightening, and scalp treatments to stimulate hair growth.

Microcurrent Therapy

Gentle electrical impulses that tone facial muscles, improve lymphatic drainage, and lift contours.

Carboxytherapy

Non-invasive CO2 infusion that boosts blood circulation, oxygenation, and cellular metabolism.

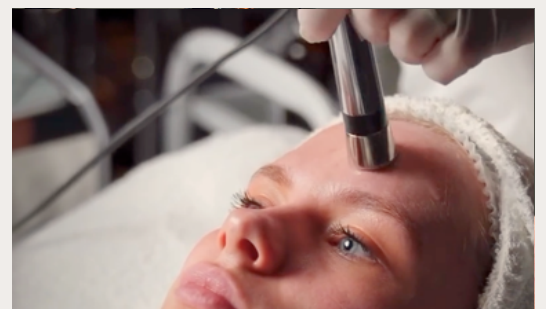

Hydropeeling

Deep vacuum cleansing and exfoliation combined with intensive serum infusion for an instant radiant glow.

Non-Injectable Mesotherapy

Needle-free delivery of active vitamin complexes, peptides, and antioxidants deep into the skin layers.

LASER HAIR REMOVAL

High-precision, comfortable laser technology
for long-lasting smoothness.

- **Advanced Cooling Technology:**
Painless and gentle hair removal designed for sensitive skin and maximum comfort.
- **Smooth & Irritation-Free:**
Eliminates daily razor bumps, red spots, and ingrown hairs for good.
- **Full Body Personalization:**
Tailored treatment plans for all skin types to achieve smooth skin with long-lasting results.

BODY VEIN REMOVAL

Targeted laser precision for clear, even-toned body skin.

- **Spider Vein Removal:** Targeted treatment of visible red and blue capillary networks on the legs, thighs, and body.
- **Safe & Gentle Action:** Precise laser energy causes damaged vessels to naturally fade without affecting surrounding skin tissues.
- **Instant Skin Confidence:** Quick, non-invasive procedure to restore smooth, clear skin tone with zero downtime.

BODY SHAPING & WELLNESS

Advanced body contouring, skin firming,
and physiological restoration.

- **Body Contouring & Firming:**

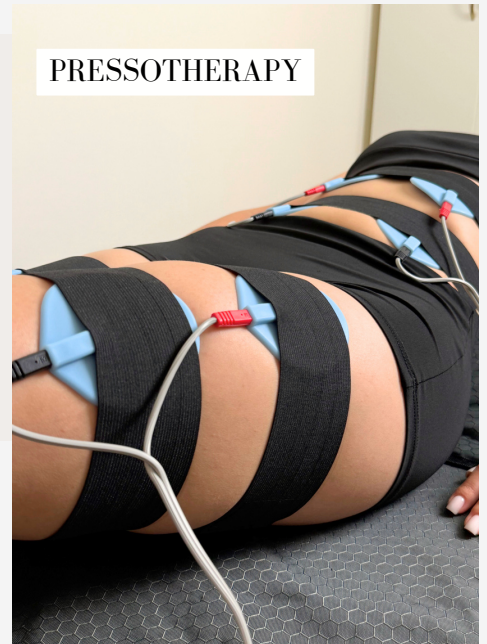

Targeted treatments designed to improve skin elasticity, stimulate lymphatic drainage, and smooth texture.

- **Cellulite & Tone Improvement:**

Non-invasive care that boosts circulation and restores skin firmness for a toned silhouette.

- **Wellness & Restoration:** Relaxing body care procedures focused on stress relief, muscle tension recovery, and overall skin health.

OUR HYGIENE & SAFETY STANDARDS

Medical-Grade Sterilization: Every instrument goes through a complete processing cycle — disinfection, ultrasonic cleaning, and high-temperature autoclave sterilization in sealed pouches.

Single-Use Materials: Disposable consumables and thorough treatment room sanitization before every client.

Your Health First: We treat safety not as a marketing tool, but as our absolute responsibility and core standard of care.
